

Refugees and Totalitarian Thought

Luca Flabbi

University of North Carolina at Chapel Hill
SAP Milano

APM Scientific Mtg “No Human is Illegal” – February 5, 2019

Presentation

References

- We are members of a psychoanalytic society based in Milan, Italy, founded in the late 70s by Giacomo B. Contri.
- The Society is now called **SAP**, an acronym that stands for the Italian: **Società Amici del Pensiero – Sigmund Freud**.

- Contri is still the President of the society. He is the main heir of Lacanian thought in Italy: a “Freudian after Lacan”.
